**Las Vegas, NV:** The Clark County Republican Party releases the following communication:

The Clark County Republican Party is thrilled at the choice of Gov. Sarah Palin as the Vice President and running mate for Senator John McCain.

Bernie Zadrowski, Chairman, reports from Minneapolis that the sentiment of Republican delegates and guests at the pre-convention meetings of the RNC is one of universal praise, support and pride. He states, *"Gov. Palin's conservative bona fides are solid. She appeals to the core and the base of the GOP with her pro-life stance and fiscal conservatism. As her state's Chief Executive Officer, she has also proven herself as an independent, ethics-driven reformer. She has a maverick, gutsy determination about her and she will prove to be the bonding force that will unite the Republican Party. McCain-Palin is a home run!"*

Chairman Zadrowski will be providing daily up to the minute reports from the convention floor to all Clark County Republican Party and Central Committee members, the updates will be posted on YouTube and the CCRP website at [www.clarkgop.org](http://www.clarkgop.org) .

The Clark County Republican Party salutes Senator McCain's Vice Presidential pick reaffirming the Republican Party has a double-Maverick winning ticket in the upcoming elections.
